Strictly Come Dancing

The debut novel from Strictly's very own Craig Revel Horwood, this book will make you laugh, make you cry, and everything in between. 'Heartwarming, funny and FAB-U-LOUS!' Woman magazine

'A story that sparkles on the page - I absolutely loved it.' Milly Johnson

Set against the colourful boho backdrop of London's Camden in the 1990s, Dances and Dreams on Diamond Street, tells the story of an unlikely family of friends who each rent a room in a ramshackle six-bedroom, four-storey townhouse. Like any family, the residents of Diamond Street sometimes fight and often act up but when the chips are down, they're there for each other in an instant - usually brandishing a cheap bottle of booze, and the offer of an impromptu kitchen disco. Presided over by the wise-cracking but warm-hearted patriarch of the family, Danny Hall, a professional dancer turned choreographer, the novel follows a year in the life of the inhabitants of Diamond Street, rough diamonds one and all, as they try to achieve their dreams - with unexpected, heart-warming and sometimes hilarious results.

Strictly Come Dancing (or Dancing with the Stars as it is known in the US) is a key BBC one show and can be seen in over 75 countries with approximate worldwide viewing figures standing at 250 million. It was the UK's highest rating programme of 2012 excluding The Olympics, Euro 2012 and The Diamond Jubilee Concert.

Pasha Kovalev has led an extraordinary life. His talent and determination have led him from the stark landscape of his Siberian hometown to dance in Moscow, New York, LA and finally in London, where he now lives. Best known for Strictly Come Dancing, which he won in 2014 with Caroline Flack (having previously danced his way to the finals two years' running with partners Chelsee Healey & Kimberley Walsh), Pasha still remains something of an enigma. Unlike some of his dancing co-stars he has eschewed the limelight. He doesn't frequent the pages of celeb glossies and, despite his relationship with former dance partner Rachel Riley, his fans have known little about him outside the television shows that made him famous. But all that's about to change as, in this candid autobiography, Pasha spills the beans on everything from romance to body image, the illness which nearly killed him and, most importantly, what really goes on beneath the veneer of sparkles and glamour.
Suitable for Strictly fans, this title features inside scoop on all the Series 7 celebrities, a chat with each of the dancers, an audience with the judges, a backstage pass on the Live Tour, a special report on John Sergeant, and an interview with current champion Tom Chambers.

Religion is one of the most important elements of Afro-Caribbean culture linking its people to their African past, from Haitian Vodou and Cuban Santeria—popular religions that have often been demonized in popular culture—to Rastafari in Jamaica and Orisha-Shango of Trinidad and Tobago. In Afro-Caribbean Religions, Nathaniel Samuel Murrell provides a comprehensive study that respect fully traces the social, historical, and political contexts of these religions. And, because Brazil has the largest African population in the world outside of Africa, and has historic ties to the Caribbean, Murrell includes a section on Candomble, Umbanda, Xango, and Batique. This accessibly written introduction to Afro-Caribbean religions examines the cultural traditions and transformations of all of the African-derived religions of the Caribbean along with their cosmology, beliefs, cultic structures, and ritual practices. And downstairs, chambermaid Nancy Nettleton is finally starting to feel more settled at the Buckingham, and hopes her brother will soon call London home, too. But she misses the man she loves, demonstration dancer Raymond de Guise, who is noticeably absent from the Grand Ballroom dance floor. Better Late Than Never is the extraordinary true story of how a man born into poverty in London’s East End went on to find stardom late in life when he was chosen to be head judge on BBC1's Strictly Come Dancing. Len Goodman tells all about his new-found fame, his experiences on Strictly Come Dancing, and also on the no.1 US show Dancing with the Stars and his encounters with the likes of Heather Mills-McCartney and John Sergeant. But the real story is in his East End roots. And Len’s early life couldn’t be more East End. The son of a Bethnal Green costermonger he spent his formative years running the fruit and veg barrow and being bathed at night in the same water Nan used to cook the beetroot. There are echoes of Billy Elliot too. Though Len was a welder in the London Docks, he dreamt of being a professional
footballer, and came close to making the grade had he not broken his foot on Hackney Marshes. The doctor recommended ballroom dancing as a light aid to his recovery. And Len, it turned out, was a natural. At first his family and work mates mocked, but soon he had made the final of a national competition and the welders descended en masse to the Albert Hall to cheer him on. With his dance partner, and then wife Cheryl, Len won the British Championships in his late twenties and ballroom dancing became his life. Funny and heart-warming, Len Goodman's autobiography has all the honest East End charm of Tommy Steele, Mike Read or Roberta Taylor.
