Seventeen-year-old Eureka’s life is taking on dark undercurrents that don’t make sense... Her mother killed in a freak accident. Her best friend, Brooks, behaving like a stranger. And Ander. The boy with eyes like the ocean who is everywhere she goes. Uncovering her mother’s legacy—a stone, a locket and an ancient tale of romance and heartbreak—Eureka begins to question everything she thought she knew. Only one thing is certain: everything she loves can be washed away.

From the #1 New York Times bestselling author of the FALLEN series comes WATERFALL, a novel about love, betrayal, and epic consequences—a world-altering tale told by a girl whose tears have the power to raise the lost continent of Atlantis. This second novel in the Teardrop series is intensely romantic, with strong, hot main characters caught up in a thrilling fantastical love triangle. For readers who love Lauren Kate and the worlds of Alyson Noël, P. C. Cast, Maggie Stiefvater, and Veronica Rossi. Eureka’s tears have flooded the earth, and now Atlantis is rising, bringing with it its evil king, Atlas. Eureka is the only one who can stop him, but first she must learn how to fight. She travels across the ocean with Cat, her family, and Ander, the gorgeous and mysterious Seedbearer who promises to help her find Solon, an enigmatic lost Seedbearer who knows how to defeat Atlas. Once on land, Eureka is taunted by gossipwitches, a group of displaced Atlantean sorceresses, and ambushed by locals struggling to survive amid the destruction her tears have wrought. And she feels no closer to facing Atlas or saving the world when Solon lets slip that love is Ander’s weakness, and that any affection he feels toward her makes him age faster. Trying to make sense of the dark world her sorrow has created, Eureka receives startling insight from an enchanted pond. Her bewildering reflection reveals a soul-crushing
secret: if she’s strong enough, Eureka can draw on this knowledge to defeat Atlas—unless her broken heart is just what he needs to fuel his rising kingdom. ... In Waterfall, Eureka has the chance to save the world. But she’ll have to give up everything—even love.

More than 200 waterfalls, from town centers to roadsides to isolated natural areas For those who seek the special serenity that seems to be found near moving water, this guide to waterfalls in one of America’s most beautiful states will be a blissful find in itself. Vermont Waterfalls: A Guide is illustrated with appealing antique postcards of some of the state’s most famous falls as well as modern photographs of falls described here for the first time. Using the same successful geographic organization scheme employed in Connecticut Waterfalls: A Guide, the author makes it feasible to see several waterfalls in one trip. Detailed maps identify waterfalls by their proximity to Vermont’s major roadways: US 7 in the west; route 100 bridging the center; and US5/I-91 to the east. With more than 200 entries that include the history of and directions to all these cataracts and cascades, this guide is meant for everyone—waterfall enthusiasts, photographers, hikers, artists, families . . .

Gabriella has never spent a summer in Italy like this one. Remaining means giving up all she’s known and loved . . . and leaving means forfeiting what she’s come to know—and love itself. Most American teenagers want a vacation in Italy, but the Bentarrini sisters have spent every summer of their lives with their parents, famed Etruscan scholars, among the romantic hills. In Book One of the River of Time series, Gabi and Lia are stuck among the rubble of medieval castles in rural Tuscany on yet another hot, boring, and dusty archeological site . . . until Gabi places her hand atop a handprint in an ancient tomb and finds herself in fourteenth-century Italy. And worse yet, in the middle of a fierce battle between knights of two opposing forces. And thus she comes to be rescued by the knight-prince Marcello Falassi, who takes her back to his father’s castle—a castle Gabi has seen in ruins in another life. Suddenly Gabi’s summer in Italy is much, much more interesting. But what do you do when your knight in shining armor lives, literally, in a different world?

Hiking Waterfalls in Tennessee includes detailed hike descriptions, maps, and color photos for some 100 of the state’s most scenic waterfall hikes. Encompassing state and national parks, forests, monuments and wilderness areas, this guide includes history, local trivia, and GPS coordinates, leading hikers to remote corners to view spectacular waterfalls.

A waterfall is the perfect destination for a day hike! Here South Carolina native Thomas King lists 125 waterfall hikes in the mountains of the Upstate. Ranging from roadside to 10 miles in length, these hikes will take you to some of the most famous and some of the most remote waterfalls in the region. Each entry includes complete driving and hiking directions, trail length and estimated hiking time, difficulty rating, and a detailed description of the waterfall itself, including a photograph.

Eureka, whose tears can raise the lost continent of Atlantis and who travels across the ocean with Cat, her family, and Seedbearer Ander, has the chance to save the world but might have to give up everything—even love.

CLICK HERE to download three sample waterfall hike sections from Waterfall Lover's Guide Pacific Northwest * At-a-glance table for selecting waterfalls by scenic rating, form, how to access, best season to go, and defining characteristics * 70 all-new waterfall entries in this 5th edition, bringing the total to more than 700! Let mapmaker and waterfall junkie Greg Plumb be your guide to a perfectly formed punchbowl falls, a cataract viewed from a swinging bridge, or a horsetail waterfall visible right from the road. This exhaustive guide helps you visit the best of the Pacific Northwest's waterfalls, with each waterfall keyed for accessibility by car, on foot, or by canoe or raft and rated for magnitude and aesthetic value. He notes which falls can be seen right from the road, are viewed from a swinging footbridge, descend from glacial meltwaters, were formed by the eruption of Mount Saint Helens, or have salmon attempting to jump them. This new edition includes 70 new waterfalls, 19 new maps (and all maps are redesigned), more than 50% new photographs, and a new "Waterfall Computer Companion" that features the more than 100 "one-star" waterfalls in an online companion site.

Do you eat next to nothing and exercise for hours every week, but find it impossible to lose weight? Do your friends seem to eat what they like, but if you so much as look at a cake you pile on the pounds? If so, your problem may not be too much fat but too much fluid. THE WATERFALL DIET is a revolution in dieting. Linda Lazarides reveals that many women who are
trying to lose weight (40% of the female population) would lose weight more effectively if they controlled fluid retention. Linda shows you how to easily identify if fluid retention is your problem and help you to safely lose a stone in seven days. This revised and updated edition focuses more attention to the health benefits of dealing with water retention, which is a major cause of high blood pressure as well as overweight. It is also more practical, as the author proves a 7-day menu plan and provides clearer instructions on how to follow the diet. The new edition will also include a section on water retention in pregnancy and testimonials and feedback from followers of THE WATERFAL DIET.

Trinity Baird’s hope for independence is tenuous, especially when her family has the final say—and the power to lock her away. In her third Rainy Lake historical drama, Mary Casanova takes us back to pristine and rugged northern Minnesota. It’s 1922, women have won the right to vote, and Trinity Baird is of age. But at 21, and after nearly two years at Oak Hills Asylum, she returns to her family’s island summer home with her self-confidence in tatters and her mind seared by haunting memories. Her parents are oblivious to what they have put her through and instead watch their daughter for the least sign of defiance. Trinity struggles to be the “respectable” young woman her parents (especially her mother) demand, so that she can return to her independent life studying art and painting in Paris. She never wants to go back to Oak Hills, where they “treat” hysterical, i.e., unconventional, young women. With enough talent and ambition to be accepted into the Sorbonne, Trinity had hoped she would be well on her way as an artist by now. On the island, she returns to what sustains her: painting. While her love for this beautiful place is deep and abiding, the few months ahead present a near-impossible task: recover the strong sense of self she’s nearly lost during her time away, while holding off her powerful family’s efforts to coerce her into submission. When her parents arrive on Baird Island, her father brings along a promising young architect to help with plans to build new guest cabins. Trinity suspects her parents are trying to introduce yet another marriage prospect. Or might she have found an ally? Informed by historical figures, by the burgeoning growth of women’s rights in the early twentieth century, and the complicated issue of mental illness and how “difficult” women were silenced, Waterfall offers a compelling story of an inspired, ambitious, and soulful young woman’s fight to find her way.

The author of the critically acclaimed guides to the waterfalls of the Adirondack and Catskill mountains leads the way 100 “cool cascades” along the Hudson River and its tributaries—one of the country's greatest watersheds and a designated National Heritage Area, “the Landscape that Defined America.” • precise, easy-to-follow directions • detailed map • vintage postcard illustrations • history and background • waterfall adventures for every level of ability Includes waterfall adventures in Saratoga, Albany, Washington, Rensselaer, Columbia, Greene, Ulster, Dutchess, Putnam, Orange and Westchester counties in New York, plus Bergen County, New Jersey.

From the Front Range to the West Slope, Colorado boasts beautiful waterfalls. Hiking Waterfalls in Colorado includes
detailed hike descriptions, maps, and color photos for more than 125 of the most scenic waterfall hikes in the state. Hike
descriptions also include history, local trivia, and GPS coordinates. From Crestone to Telluride, Grand Junction to
Steamboat Springs, Walden to Westcliffe, Hiking Waterfalls in Colorado will take you through state and national parks,
forests, monuments and wilderness areas, and from popular city parks to the most remote and secluded corners of the
state to view the most spectacular waterfalls.

From the top of the Adirondack Northway to the precipitous drop that creates Niagara Falls, Hiking Waterfalls in New
York State provides all of the information readers need to find their way to waterfalls hidden in the crevices of the Catskill
Mountains, high on the faces of the High Peaks, flowing through magnificent gorges into the Finger Lakes, or deep in the
backcountry of the Southern Tier. Detailed driving and hike descriptions include slices of history and glimpses of geology.
GPS coordinates, maps, and color photos of over 100 of the state's best waterfalls make certain that hikers and sightseers
will find their way to these sparkling gems, whether they can be seen from the roadside or at the end of a lengthy trail. The
book has less than 10 percent overlap with FalconGuides' popular Hiking New York.

The mountains of Georgia and South Carolina are renowned for beautiful waterfalls. Hiking Waterfalls in Georgia and
South Carolina includes detailed hike descriptions, maps, and color photos for more than 60 of the most scenic waterfall
hikes in the states—many of them along the mountainous border between the two states, within easy access of each other.
Hike descriptions also include history, local trivia, and GPS coordinates. This book is an ideal complement to the popular
FalconGuides Hiking South Carolina and Hiking Georgia, with minimal overlapping content.

In this poetic and haunting tale set in contemporary Appalachia, New York Times bestselling author Ron Rash illuminates
lives shaped by violence and a powerful connection to the land. Les, a long-time sheriff just three-weeks from retirement,
contends with the ravages of crystal meth and his own duplicity in his small Appalachian town. Becky, a park ranger with a
harrowing past, finds solace amid the lyrical beauty of this patch of North Carolina. Enduring the mistakes and tragedies
that have indelibly marked them, they are drawn together by a reverence for the natural world. When an irascible elderly
local is accused of poisoning a trout stream, Les and Becky are plunged into deep and dangerous waters, forced to
navigate currents of disillusionment and betrayal that will force them to question themselves and test their tentative
bond—and threaten to carry them over the edge. Echoing the heartbreaking beauty of William Faulkner and the spiritual
isolation of Carson McCullers, Above the Waterfall demonstrates once again the prodigious talent of “a gorgeous, brutal
writer” (Richard Price) hailed as “one of the great American authors at work today” (Janet Maslin, New York Times).

Hiking Waterfalls in Minnesota includes detailed hike descriptions, maps, and color photos for approximately 100 of the
most scenic waterfall hikes in the area. Hike descriptions also include history, local trivia, and GPS coordinates.
Waterfalls in Minnesota will take you through state and national parks, forests, monuments and wilderness areas, and from popular city parks to the most remote and secluded corners of the area to view the most spectacular waterfalls.

* Northern CA waterfalls reached by car, on foot, or by canoe or raft * Falls rated from one to five stars for their appeal * At-a-glance table for selecting waterfalls by scenic rating, form, how to access, best season, and waterfall type * Organized according to highway routes and popular day trip or vacation itineraries in each region On the road and seeking prime waterfall drive-up views? Feeling like a short stroll or longer hike to bask in a refreshing spray up close? Looking for a beautiful backdrop for a family picnic? Waterfall Lover's Guide to Northern California will tell you where to find the falls that fit the occasion. To help you select, each waterfall is keyed for accessibility by car, on foot, by canoe, or raft, and rated for magnitude and aesthetic value. The Danielssons note which falls can be seen from the road, cast a rainbow from their base, pour directly into the Pacific Ocean, or spin wheels of water along their flow.

"Lists sixty day hikes to over 200 waterfalls on public lands in the mountains of north Georgia. Each hike entry includes driving and hiking directions, map and elevation profile, distance, and estimated hiking time, with a photograph of each waterfall"—Provided by publisher.

Easy access to cascades, cataracts, and more. Connecticut is rich in history, geology—and waterfalls. Bringing these together in one guide, richly illustrated by both photographs and antique postcards, this book provides not only good directions and descriptions, but also historic and stratigraphic context for these thrilling yet peaceful places. Many of CT’s waterfalls are now the centerpieces of parks and preserves—perfect for a weekend visit and picnic.
In the desolate middle of the largest ocean on earth, two great navies met, one bent on conclusive battle, the other lying in ambush. Six months after Pearl Harbor, Yamamoto again crossed the Pacific with the most powerful naval armada the world had ever seen, this time to finish the job. Nimitz waited for him with what he had, placed exactly where he needed it. Striking first meant decisive victory. This is the story of the men who fought the Battle of Midway over three momentous days in June, 1942. Men uncertain, determined, fearful and courageous. Their story is one of daring, of unfathomable loss, of survival inside rickety airplanes and burning ships. What happened off Midway is a story of reckless pride, and cold realization. "The Silver Waterfall" is an unforgettable historical fiction account of the battle told by today's master of carrier aviation fiction. If you've wondered what more could be written about the Battle of Midway, here's the answer: Kevin Miller has delivered the perfect amalgam of vivid military history and unforgettable fiction. Through the viewpoints of the combatants on both sides - pilots, gunners, sailors, fleet commanders - The Silver Waterfall evokes the drama and raw terror of the battle that changed the course of the war. Historical fiction at its best.- Robert Gandt, author of Angels in the Sky and The Twilight Warriors. With his meticulously researched historical foundation, Kevin Miller masterfully writes of an environment one can know only through personal experience. He adroitly transports us from the deckplates to the flight deck to the cockpit, while exploring the spectrum of wartime human conditions. The Silver Waterfall is destined to take a rightful place beside Michener's Toko-Ri for Miller's vivid portrayal of the intensity of combat aboard and from aircraft carriers.- RADM Robert Besal, USN (ret.) Captain Kevin Miller follows his three carrier aviation thrillers with an absolutely riveting work of historical fiction. His novel, The Silver Waterfall, brings the Battle of Midway to life in a narrative that puts the reader in the battle with the warriors on both sides. Put this one on your must-read list.- CAPT George Galdorisi, USN (ret.) author of Op Center and The Coronado Conspiracy. The Silver Waterfall brings the Midway story to life like no other book. Masterfully written with the amazing accuracy he's known for, Kevin Miller puts the reader on ships' bridges, in aircraft cockpits, and into the hearts and minds of the brave men who fought the battle. A must read.- Vincent Aiello, host of The Fighter Pilot Podcast. A great new take on the most famous and dramatic sea battle of World War II. Captain Kevin Miller tells the story of Midway in the voices of the participants and does a marvelous job of tying all of the actions together. As usual he uses his carrier aviation experience to put you in the cockpits. Fasten your seat belts - it's a great ride.- RADM Paul Tobin, USN (ret.), past Director of Naval History. A terrific read for anyone who wants to learn about the greatest naval victory of the United States Navy. Put this on your shelf of must-reads on Midway, right next to Shattered Sword and Pacific Payback. Highly recommended!- ADM Bill Gortney, USN (ret.) Exhaustively researched and beautifully written, The Silver Waterfall reveals the inside story of Midway. Told from the perspective of those who fought it, this seminal battle of American carrier aviation comes vibrantly alive in this heart pounding historical fiction.- Paco Chierici, Bestselling author of Lions of the Sky, and Creator/Producer of the award-wining documentary Speed and Angels. Masterful. Kevin Miller's first foray into historical fiction is an epic read. He delivers a remarkable accounting of the Battle of Midway. Not since Herman Wouk's War and Remembrance has this seminal moment been told with such allure.- Peter Fey, author of Bloody Sixteen
Hiking Waterfalls in Tennessee includes detailed hike descriptions, maps, and color photos for approximately 100 of the state’s most scenic waterfall hikes. Hike descriptions include history, local trivia, and GPS coordinates. Heartbreak and transformation in the beauty of a Ukrainian village For seven-year old Angela, happiness is exploring the lush countryside around her home in western Ukraine. Her wild imagination takes her into birds and flowers, and into the waters of the river. All that changes when, one morning, she sees her mother crying. As she tries to find out why, she is drawn on an extraordinary journey into the secrets of her family, and her mother's fateful choices. Can Angela lead her mother back to happiness before her innocence is destroyed by the shadows of a dark past? Beautiful, poetic and richly sensory, this is a tale that will haunt and lift its readers. "A strange and beautiful novel" - Esther Freud, author of Mr Mac and Me, Hideous Kinky, Peeless Flats "Readers looking for a classic tale of love and loss will be rewarded with an intoxicating world" - Kirkus Reviews

Poems deal with memories, loss of identity, childhood innocence, the past, and mortality.

Oregon is famous for its incredible scenery and this guide will lead you to some of the most enjoyable locations. This beautiful, full-color guidebook features 64 of the best waterfall hikes in the Beaver State, with another 19 honorable mentions. From the Coast Range to the Cascades, along with the breathtaking Columbia River Gorge, you can explore those special places where water cascades over cliffs. Some waterfalls are remote while others are just a short hike from the trailhead, some are gentle trickles and others are roaring giants. Yet all of them offer a peaceful escape and are worth seeking out.

Most American teenagers want a vacation in Italy, but the Bentarrini sisters have spent every summer of their lives with their parents, famed Etruscan scholars, among the romantic hills. In Book One of the River of Time series, Gabi and Lia are stuck among the rubble of medieval castles in rural Tuscany on yet another hot, boring, and dusty archeological site ... until Gabi places her hand atop a handprint in an ancient tomb and finds herself in fourteenth-century Italy. And worse yet, in the middle of a fierce battle between knights of two opposing forces. And thus she comes to be rescued by the knight-prince Marcello Falassi, who takes her back to his father’s castle—a castle Gabi has seen in ruins in another life. Suddenly Gabi’s summer in Italy is much, much more interesting. But what do you do when your knight in shining armor lives, literally, in a different world?
